Amended Title 3 California Code of Regulations

Section 6510, Continued

What are the requirements in amended 6510?

Section 6510 now requires that an individual must:

- Obtain a license or certificate within 12 months from the date they submit the application for examination and
- Earn the required number of continuing education hours before the expiration date of their current license or certificate.

Any individual failing to meet the requirement must submit a new application and take the examinations.

What are the effects of the requirements in amended 6510?

Section 6510:

- Requires an individual to take the examinations for a license or certificate within a 12-month period from the date of application and
 - Requires earning continuing education hours for renewal by the expiration date of the license or certificate.
-
